Dear Ms Thomas

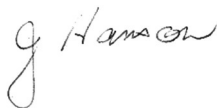

Thank you for your correspondence dated 29 May 2025 in relation to the data, biospecimens and reports relating to the QoVax research program.

I would like to apologise for the delay in responding.

Metro North Health again thanks Queenslanders who participated in the QoVax research program.

I can advise that QoVAX research program data, biospecimens and documentation will continue to be stored in accordance with the Queensland Government General Retention and Disposal Schedule, Health Sector (Clinical Records) Retention and Disposal Schedule, and Health Sector (Corporate Records) Retention and Disposal Schedule.

Yours sincerely

Adjunct Professor Jackie Hanson
Chief Executive
Metro North Health
